

OPEN CALL

EACH OTHER AGAIN
from 3 to 6 July 2023

Hi!

We need some information about you and what you would like to do during *Each Other Again*. Feel free to answer any questions you want. To participate, you do not need to know how to play, sing or create jigs; in fact, ours is a band that welcomes those who want to learn. So if you would like, simply tell us what you would like to do with us.

1. What's your name?

.....

2. If you are here, it means you are interested in joining our band. Do you already know how to play an instrument or would you like to learn?
[specify the instrument you can play or would like to learn].

.....

3. If you already know how to play, would you like to teach someone else?

.....

4. If you already know how to play, would you bring your instrument with you to MACRO and be willing to share it with other participants?

.....

5. Even if you already know how to play one or more instruments would you like to learn something else within the band? If so, what?

.....

6. Can you sew or otherwise cut, assemble, and alter fabrics? If yes, would you like to teach others to do this? If no, would you like to learn?

.....

7. Imagine a band playing at a party: is there anything about the atmosphere you imagine (lighting, costumes, video, decorations, etc.) that you would like to replicate and work on?

.....

8. Are you available to participate in *Each Other Again*?
Specify here if you have special schedule needs
